**Re : Projects Abroad**

Dear Sir or Madam:

J & F PRC Lawyers works together with Projects Abroad to place students in our firm during their Shanghai stay.

J & F PRC Lawyers is a leading full service Chinese licensed law firm with practice areas including corporate/commercial, foreign direct investment, intellectual property, anti-counterfeiting, litigation, employment, real estate and finance. We have a mix of Chinese and foreign based clientele ranging from small start ups and individuals to large multi-nationals and several Fortune 500 companies.

Projects Abroad interns will assist Chinese lawyers with their caseloads which may include attending meetings, researching laws and regulations, assisting to draft and edit legal memos and other legal documents. Other related work may include article research and drafting and promotional type activities such as marketing, establishing contacts with overseas firms or website update and revision.

Daily attendance is expected during our normal working hours of 9 am to 6 pm Monday through Friday. Normal business or casual business attire should be worn. Interns will be under my supervision and will generally report directly to me in most situations.

Please contact the undersigned should you require further clarification regarding any of these matters.

Regards,

Blaine Turnacliff
